Aluminium BS-TYPE

Socket Outlets

This product mounts **Panasonic- "FULL-COLOR WIDE SERIES"** socket outlets which conform to IEC60884-1.

Strong

Scratch Resistance

Combination of tough material, Aluminum(ADC12) & shot blast finish on the surface achieves high scratch resistance.

Nice Appearance

- Shot blast surface treatment achieves long resistance, nice appearance and matches any types of flooring.
- Natural appearance is achieved by surface evenness due to low 4.0mm high floor plate and mildly angled floor plate.

Environment

- RoHS directive in Europe complaint.
- Completely free from Cd, Hg, Cr6+, Pb, PBBs, PBDEs.

We have achieved

- Lead free welding
- Cadmium-free contact
- Hexavalent chromium-free plating
